[1] Plans F and G also have a high deductible option which require first paying a plan deductible of $2,950 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

[2] Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

[3] Plan N pays 100% of the Part B coinsurance, except for a copayment of up to $20 for some office visits and up to a $50 copayment for emergency room visits that do not result in an inpatient admission.

This is an attained age rated policy, which means that your premiums will increase based on age. Your attained age premium increase will go into effect on the first monthly renewal date which falls on or follows the policy annual anniversary date.
