

How to Compare Wellcare 2027 Prescription Drug (Rx) Plans

Follow these simple steps to review options online

1. Open the Wellcare Website

Click the Wellcare website link provided. <https://www.wellcare.com>

2. Get Started

Click “Get Started “. Enter your ZIP Code, then click “Get Started” again.

3. Select the Plan Year

Choose “2027” as your plan year, then click “Continue”.

Select your plan year

☐ 2026

☒ 2027

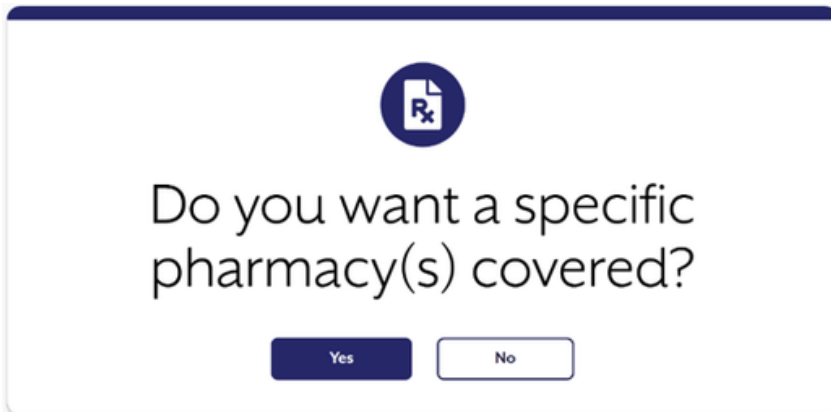

Continue

4. Answer the Questions

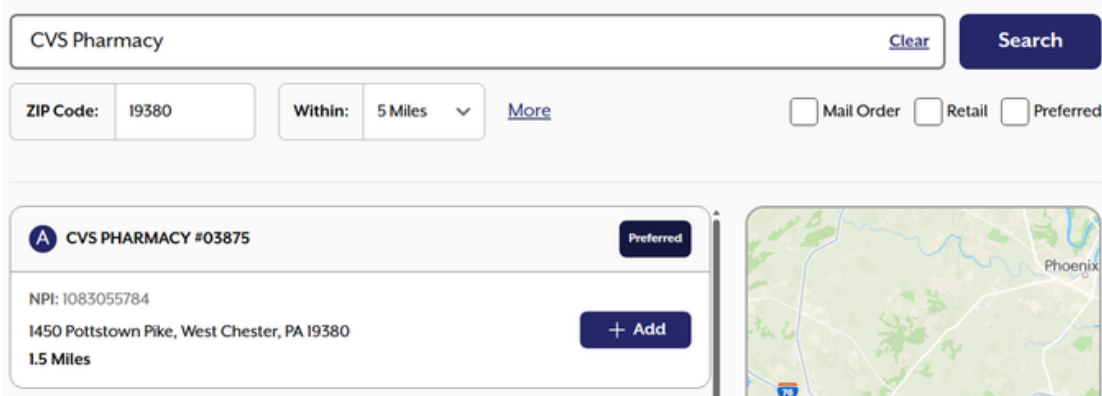

Follow the on-screen questions about your pharmacy, prescription medications, & doctors. Select “Yes or No” for each question, based on your needs.

5. Choose Your Pharmacy

If you want to use a specific pharmacy, select “Yes”. Search by pharmacy name (for ex, CVS Pharmacy). Choose the correct location & click “Add”. Then click “Continue”.

What pharmacy(s) do you use?

6. Add Your Prescription Medications

Search for each drug by name. Select the correct strength, dosage, & quantity. Click “Add to Prescriptions”, & repeat for each drug. When finished, click “Continue”.

Do you take any prescription drugs?

Tip: Have your current medication list ready before you begin.

What drugs are you taking?

Mounjaro

7. Add Your Doctor (If Needed)

If you want to check whether a particular doctor is covered, select “Yes”. Search for the doctor by name, select the correct result, & click “Add”. Then click “Continue”.

Do you have a doctor(s) you want covered?

Who is your doctor(s)?

ZIP Code: 19380

Within: 5 Miles

8. Compare Plans & Apply

Select the “Prescription Drug Plan” tab. Once you have chosen a plan that meets your needs. Click “Apply Now” & follow the on-screen instructions.
